

*"It gives me great pleasure
to welcome you to..."*

At House O' Parm, we make everything from fresh baked bread, daily, to our own light and fluffy deep dish pizza dough. We use only the finest cheese, tomatoes, meats, butter, flour and olive oil.

This includes, all the recipes. Saved, from years of holidays, special events and experiences as a professional chef. Overall, I do this because I love to cook for and satisfy my customers, family and friends.

Allow me to say welcome and thank you. Looking forward to feeding you and seeing your smile, for a very long time. Buon Appetito.
